

# St George's Day

## Open Air St George's Day on Sunday 28<sup>th</sup> April 2019

St George's Day is changing this year – we are going al-fresco which also means there is space for parents to join us. We are holding the promise renewal ceremony on the playing field at Lady Boswell's School after a march down the High Street.

We will be meeting at the **Stag Theatre Car Park at 2.15pm**, ready for the march to set off at 2.30pm. We will march along the High Street and onto Seal Hollow Road, before turning down Plymouth Drive to the school.

Parents should watch from the side of the High Street then fall in behind the main parade to follow us to the school for the promise renewal ceremony and activities.

After the ceremony (around 3.15pm), the young people will be released back into your care. The groups in the district will be running short activities and challenges for all ages and all young people that attend will receive a badge for taking part.

We expect to be finished around 4.30pm. There is a pedestrian exit from the school to leisure centre car park.

As the event is outside, in addition to your smart uniform, please dress for the weather – be it sun-tan lotion or waterproofs and bear in mind that most of the events are taking place on a football field.
